Ejemplos de componentes de Frontend

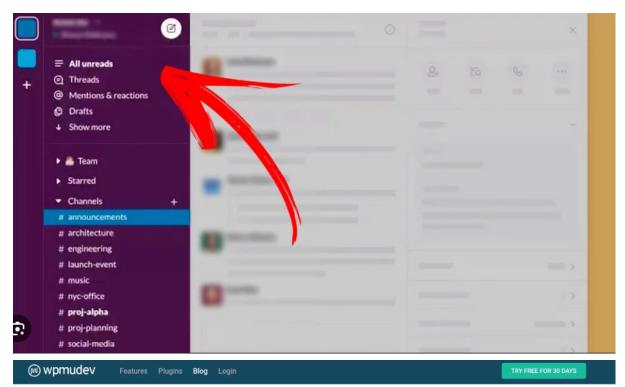

Tooltips (información/tips sobre herramientas)
Los tooltips se muestran cuando ponemos el mouse sobre un link

Tambien si ponemos el mouse sobre un elemento gráfico

2. Sidebar (barra lateral)

Look at our rad cover art... thanks to our brilliant design team;)

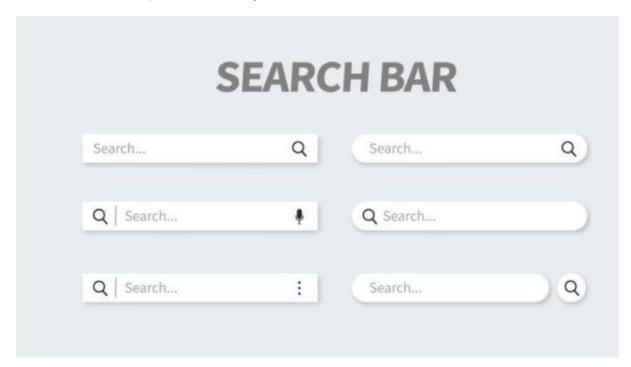

"Hello, WP!"

"Hello, WP!" follows Micah, a new user getting started with WordPress. What begins as a simple look at what it takes to setup a new site becomes an unexpected deep dive into the relatively small community powering nearly a third of the internet.

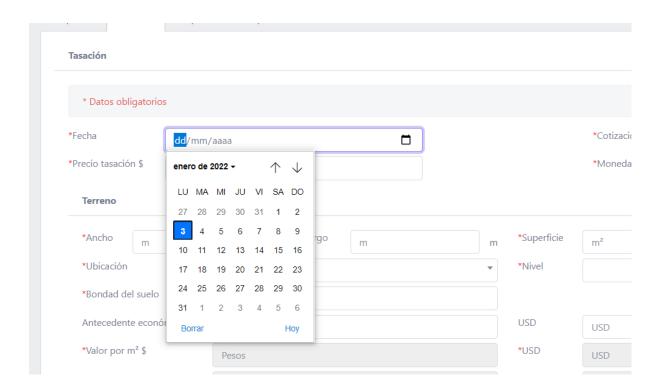

3. Search Bar (barra de búsqueda

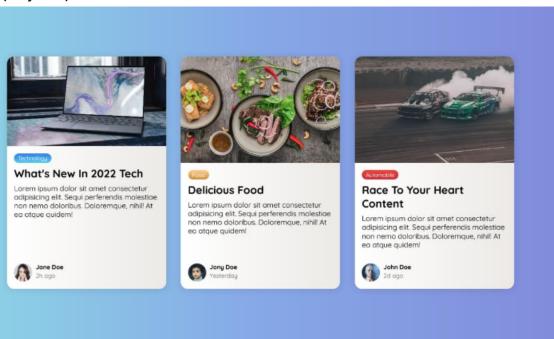

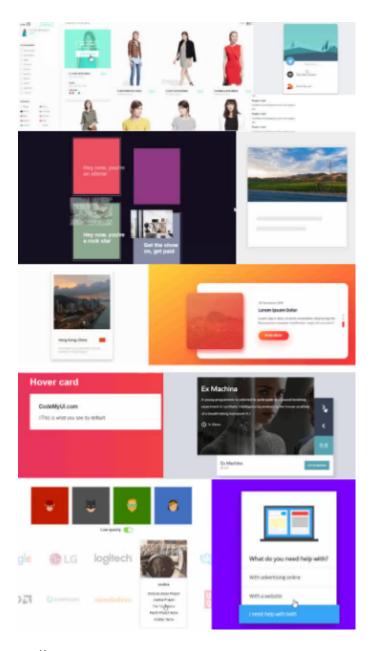

4. Calendar (calendario)

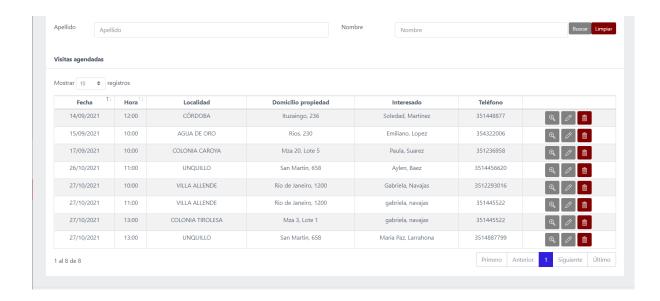

5. Cards (tarjetas)

②

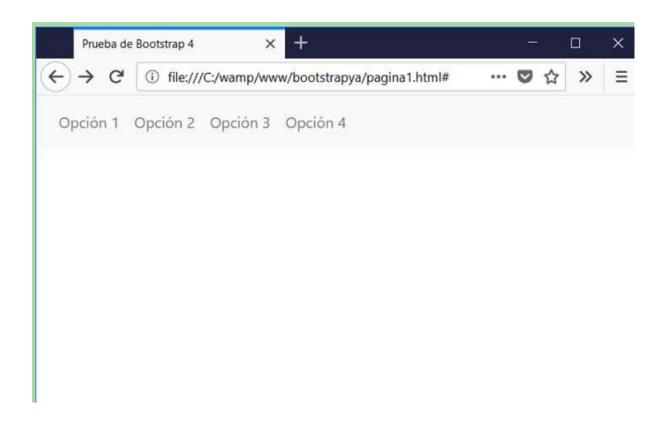

6. Grillas

7. Links

8. Navbar (barra de navegación)

9. Slider o carrusel de imágenes
